Welcome

1967 - 2025

We take this opportunity to welcome you to our 41st Annual Sale. We feel for those of you affected by the severe dry down south and the extremes of the floods on the coast. We hope good times are on the way for you. Very good seasonal conditions in northern NSW and Qld as well as a buoyant cattle market has things looking positive.

We thank our buyers, under bidders and people who showed interest in our program during 2024 your help and support is greatly appreciated.

It has been very rewarding to receive great feedback from many of our clients on the use of our genetics. In particular the ability of our bulls to hold up, perform and breed well over a vast variety of climates. On a personal note, the terrific feedback on our own kill cattle with MSA gradings (top 15%) and the performance and weight for age we have turned them off grass at.

We are extremely pleased with the direction of our program over the last few years. Our young groups of females are exciting and the natural carcass and do ability of our cattle is very satisfying. This year's bulls are thick carcass cattle while still maintaining the softness, do ability, balance and evenness we strive for.

We believe the sires and pedigrees to back our bulls is as good as we have offered ever.

The bulls will present fully pasture prepared with a 6 week period on crops and have had light availability to silage but never had access to any grain at any stage of their life.

Our two new main sire lines in Mawarra Justify and Yarram Raffle have done an exceptional job. We feel the justify line are a terrific group. Raffle has bred thickness and doing ease with a lot of his sons suitable for heifers. Storm, Lottery, Paris and a handful of our home bred blokes have bred consistently again producing powerful performance bulls.

Use a Whiteface Bull to add the softness, weight and do ability to your herd, Herefords are the premier breed for any crossbreeding program.

Bulls will have weights available on Sale Day.

This year's sale format will again be by video sale and live streamed through Auctions Plus.

BUY A AMOS VALE BULL – BREED THEM BETTER AND TAKE YOUR PROGRAM TO THE NEXT LEVEL!!

Inspection prior to sale is highly recommended or on sale day from 9am.

Regards Mark, Wendy, Matthew & Bradyn

SALE DAY SAFETY

PLEASE READ

**Visitors enter pens at their own risk
Children under 16 years of age are NOT permitted in pens**

At Amos-Vale all care is taken to ensure livestock pose minimum threat to our clients, our staff and us. However, we cannot predict nor guarantee their behaviour.

All the Sale Bulls have been assessed for temperament and are quiet to handle under normal circumstances.

Unfortunately sale day places abnormal pressure on bulls as they are not used to having a crowd of people around them, and so the behaviour of even the quietest bull can be unpredictable. With this in mind, we please ask that while inspecting the sale bulls you treat them with respect and don't over crowd them.

Bulls may also fight in the pens and at these times they are oblivious to people who may be in the way.

Westpac Rescue Helicopter Service

Thank You

Amos-Vale Herefords are providing complementary refreshments on Sale Day.

You are more than welcome to make a donation to this wonderful organisation on the day.

SALE INFORMATION

GST:

GST is to be added to the purchase price at the fall of the auctioneer's hammer. You will be invoiced the purchased price plus GST.
